## Call TRAX

- Safe and Reliable Transportation
- ADA Accessible Vehicles
- Fully Trained Drivers
- Friendly and Helpful Dispatch Staff

“My name is Gene Griffin. Trax has been providing transportation so that I can do my grocery shopping weekly for six years. If this service wasn't provided by Trax, I wouldn't be able to live independently...I'm bound to a wheelchair and would have to move to an assisted living facility....Trax is not a frivolous government program. Rather, it is an invaluable service to the Community.”
